T Drove All Night by Cyndi Lauper

Fill in the gaps

I had to escape	I drove all night
The city was sticky and cruel	To get to you
Maybe I should have called you first	Is that alright
But I was dying to get to you	I (14) all night
I was dreaming while I drove	Crept in your room
The long (1) road ahead	Woke you from your sleep
Could taste (2) sweet (3) your	To make (15) to you
(4) open wide	Is that alright
This fever for you is just burning me up inside	I drove all night
I drove all night	I taste (16) (17) kisses
To get to you	(18) arms (19) wide
Is (5) alright	This (20) for you is just (21)
I drove all night	me up inside
Crept in your room	I (22) all night
Woke you (6) your sleep	To get to you
To make (7) to you	Is that alright
Is that alright	I drove all night
I drove all night	Crept in your room
What in this world	Woke you from your sleep
Keep us (8) tearing apart	To make (23) to you
No (9) I go I hear	I drove all night
The beating of your heart	I taste your sweet (24) your arms open wide
I think about you when the night is cold and dark	This (25) for you is just burning me up inside
No one can move me the way (11) you do	I (26) all night
Nothing erases (12) feeling (13)	
me and you
