T Drove All Night by Cyndi Lauper

Fill in the gaps

I had to escape	I drove all night
The city was sticky and cruel	To get to you
Maybe I should (1) called you first	Is that alright
But I was dying to get to you	I drove all night
I was dreaming while I drove	Crept in your room
The long straight road ahead	Woke you from your sleep
Could taste your sweet (2) your arms open	To make love to you
wide	Is that alright
This fever for you is just burning me up inside	I drove all night
I (3) all night	I taste (7) sweet kisses your arms open wide
To get to you	This fever for you is just burning me up inside
Is that alright	I drove all night
I drove all night	To get to you
Crept in your room	Is that alright
Woke you from your sleep	I drove all night
To (4) love to you	Crept in your room
Is that alright	Woke you from your sleep
I drove all night	To make love to you
What in this world	I drove all night
Keep us from tearing apart	I taste (8) sweet kisses your arms (9)
No matter (5) I go I hear	wide
The beating of your heart	This fever for you is just burning me up inside
I think about you when the night is cold and dark	I (10) all night
No one can move me the way that you do	
Nothing (6) this feeling between me and you
