

## Fill in the gaps

| Last night I dreamt of San Pedro                   |
|--|
| Just like I'd never gone, I knew the song          |
| A young girl with eyes like the desert             |
| It all seems like yesterday, not far away          |
| Tropical the island breeze                         |
| All of nature wild and free                        |
| This is (1) I long to be                           |
| La isla bonita                                     |
| And when the samba played                          |
| The sun would set so high                          |
| Ring through my ears and sting my eyes             |
| Your Spanish lullaby                               |
| I fell in love (2) San Pedro                       |
| Warm wind carried on the sea, he called to me      |
| Te dijo te amo                                     |
| I prayed that the days would last                  |
| They went so fast                                  |
| Tropical the island breeze                         |
| All of nature wild and free                        |
| This is where I long to be                         |
| La isla bonita                                     |
| And (3) the samba played                           |
| The sun would set so high                          |
| Ring through my ears and (4) my eyes               |
| Your (5) lullaby                                   |
| I want to be where the sun warms the sky           |
| When it's time for siesta you can watch them go by |

| Beautiful faces, no cares in this world   |
|---|
| Where a girl loves a boy and a boy        |
| Loves a girl                              |
| Last (6) I dreamt of San Pedro            |
| It all seems like yesterday, not far away |
| Tropical the island breeze                |
| All of (7) wild and free                  |
| This is where I long to be                |
| La isla bonita                            |
| And when the samba played                 |
| The sun would set so high                 |
| Ring through my ears and sting my eyes    |
| Your Spanish Iullaby                      |
| Tropical the (8) breeze                   |
| All of nature wild and free               |
| This is where I long to be                |
| La (9) bonita                             |
| And when the samba played                 |
| The sun would set so high                 |
| Ring through my ears and sting my eyes    |
| Your Spanish lullaby                      |
