

Fill in the gaps

I can't	And I don't mean to cry
Go along with it	It's just the smoke gets in my eyes
You can say just what you like	You're breathing lies I want to believe in
But you still did it	When I'm watching you walk out the door
You backtrack	I could fall through the floor
And change your act at a hundred lies a minute	I can't
But fool as I am I won't go along with it	Go along with it
Am I confused, am I a	You can say just what you like
Crazy person, you say it's	But you still did it
Old news she doesn't	You backtrack
Mean nothing	And (3) (4) act at a hundred lies a
But don't you understand that I am heartbroken	minute
No matter what you do you just can't make it untrue	But fool as I am I won't go along (5) it
You're breathing lies I want to believe in	Let the (6) drum stop
When I'm watching you walk out the door	I wanna turn back the clock
I could fall through the floor	I wanna find the (7) pieces
I can't	Of the whole love I lost
Go along (1) it	You say it like you mean it
You can say just what you like	And I want to believe it
But you still did it	'Cause I can't stop this feeling
You backtrack and change your act	I can't
At a hundred (2) a minute	Go along with it
But fool as I am I won't go along with it	You can say just what you like
Too much to lose and it's	But you still did it
Still raining, I know it's	You backtrack
Not a game so I'll	And change (8) act at a hundred lies a minute
Stop playing	But fool as I am I won't go along with it
But oh, my heart's on fire and it	
Keeps burning
