Born This Way by Lady Gaga

This is the manifesto

Of Mother Monster

On G.O.A.T.

A Government Owned Alien Territory In Space

A birth of magnificent

And magical proportions took place

But the birth was not finite it was infinite

As the whombs numbered

And the mitosis of the future began

It was perceived that this infamous (1)_____ in life

Is not temporal

It is eternal

And thus began the beginning of the new race

A race within the race of humanity

A race which bears no prejudice

No judgement but boundless freedom

But on that same day

As the eternal (2)_____ hovered in the multiverse

Another more terrifying birth took place

The birth of evil

And as she herself split into two

Rotating in agony between two ultimate forces

The (3)_____ of (4)_____ began its dance

That seems easy, you imagine

To gravitate (5)_____ and unweaveringly towards good

But she wondered

How can I protect something so perfect

Without evil?

It doesn't matter if you love him

"So hold your head up, girl and you'll go far,

Listen to me when I say"
