

Fill in the gaps

(Oh oh)	Like baby, baby, baby no
You know you love me, I know you care	Like baby, baby, baby oh
Just shout whenever, and I'll be there	I thought you'd always be (10) (mine)
You want my love, you (1) my heart	Luda! When I was 13, I had my first love
And we will never (2) ever be apart	There was nobody that compared to my baby
Are we an item? girl, (3) playing	And nobody came between us or could ever come above
We're (4) friends, (5) are you saying?	She had me going crazy, oh, I was star-struck
Say there's another and look right in my eyes	She woke me up daily, don't need no Starbucks
My first love broke my (6) for the first time	She made my heart pound
And I was like	It skipped a beat when I see her in the street and
Baby, baby, baby oh	At school on the playground
Like baby, baby, baby no	But I really wanna see her on the weekend
Like baby, baby, baby oh	She knows she got me dazing
I thought you'd always be mine (mine)	'Cause she was so amazing
Baby, baby, baby oh	And now my heart is breaking
Like baby, baby, baby no	But I just keep on saying
Like baby, baby, baby oh	Baby, baby, baby oh
I thought you'd always be mine (mine)	Like baby, baby, baby no
For you I would have done whatever	Like baby, baby, baby oh
And I just can't believe we ain't together	I thought you'd always be mine (mine)
And I wanna play it cool, but I'm losin' you	Baby, baby, baby oh
I'll buy you anything, I'll buy you any ring	Like baby, baby, baby no
And I'm in pieces, baby fix me	Like baby, baby, baby oh
And just shake me 'til you wake me from this bad dream	I thought you'd always be mine (mine)
I'm going down, down, down	I'm gone (yeah yeah yeah, yeah yeah)
And I (7) can't believe my (8) love	Now I'm all gone (yeah yeah yeah, yeah yeah yeah)
won't be around	Now I'm all gone (yeah yeah yeah, yeah yeah yeah)
And I'm like	Now I'm all gone (gone, gone, gone)
Baby, baby, baby oh	I'm gone
Like baby, baby, baby no	
Like baby, baby, baby oh	
I thought you'd always be (9) (mine)	
Baby, baby, baby oh	

- 1. want
- 2. ever
- 3. quit
- 4. just
- 5. what
- 6. heart
- 7. just
- 8. first
- 9. mine
- 10. mine
