

Miss the phone calls When it's your fault

Fill in the gaps

(Ohhh) I (1) the misery				I miss the late nights
(Oh oh oh oh)				Don't miss you at all!
(Oh oh oh oh)				I like the kick in the face
l've (2) a	(3)	_ (4)	you	And the things you do to me!
stayed				I love the way that it hurts!
I've been a wreck since you changed				I don't miss you, I miss the misery!
Don't let me get in your way				Just know that I'll make you hurt
I miss the lies and the pain				(I miss the lies and the pain what you did to me)
The fights that keep us awake (ake ake)				When you tell me you'll make it worse
I'm telling you!				(I'd rather fight all night than watch the TV)
I miss the bad things				I hate that feeling inside
The way you hate me				You tell me how hard you'll try
I miss the screaming				But when we're at our worst
The way that you blame me!				I miss the misery
Miss the phone calls				I miss the bad things
When it's (5)	fault			The way you hate me
I miss the late nights			I miss the screaming	
Don't miss you at all!				The way that you blame me
I (6) the kick in the face				I miss the rough sex
And the things you do to me!				Leaves me a mess
I love the way that it hurts!				I miss the feeling of pains in my chest!
I don't miss you, I miss the misery!				Miss the phone calls
(Oh oh oh oh)				When it's your fault
I've tried but I just can't (7) it				I miss the late nights
I'd rather fight than just fake it				Don't miss you at all!
('Cause I like it rough)			I like the kick in the face	
You (8) that I've had enough			And the things you do to me!	
I dare ya to call my bluff			I love the way that it hurts!	
Can't take to much of a good thing			I don't miss you, I miss the misery!	
I'm telling you!			(I (9) miss you, I miss the misery)	
I miss the bad things				
The way you hate me				I don't miss you, I miss the misery!
I miss the screaming				
The way that you blame	me!
