It won't fill you up

Fill in the gaps

Nothing's Real But Love by Rebecca Ferguson

Standing in a line		No money, no house, no car	
Nonder why it don't move		Is (7) love	;
Trying to get a hand		(La la la la la yeah)	
Watching people break the rules		I put it all away	
Maybe the man in charge		Holding it (8)	for
Doesn't like my face		A rainy day	
But (1) this world's not (2)	good	But what if that day of	lon't come
And nothing's (3) but love		I need love	
Nothing's real but love		No money, no house, no car	
No money, no house, no car		Is like love	
Can beat love		(Oooh)	
They watch us open mouthed		It don't fill you up	
As we joke around like fools		It won't (9)	you up
See who can be the worst		It won't fill you up	
Watch what I can do		It's not love	
But then the (4) (5) slammed	d	And nothing's real wi	thout love
Slammed right in my face		No money, no house	, no car
And I guess this world's not (6) good		Is like love	
And nothing's real but love		Nothing's (10)	but lov
Nothing's real but love		No money, no house, no car	
No house, no car, no job		Is like love	
Can beat love
