

## Fill in the gaps

Where do they go	Sleeping in between parked cars
And what do (1) do	When it thunders where do you (14)
They're walking on by	(15) the storm
They're looking at you	Could you ever forgive
Some (2) stop, some people stare	My self pity
But would (3) help you and do (4) care	When you've got (16) and (17)
How did you fall	living
Did you fall at all	On the streets of the city
Are you happy where you are	I couldn't (18) without my phone
Sleeping underneath the stars	But you don't even have a home
When it's cold is it your hope that (5) you warm	How did we fall
A (6) bit of change	Can we get up at all
Is all (7) I give	Are we happy (19) we are
How is (8) gonna help	On our lonely little star
When you've got no where to live	When it's cold is it your (20) that keeps you warm
Some (9) so they don't see	Where do (21) go and (22) do they do
I bet you'd (11) if that were me	They're (23) on by
How did you fall	They're looking at you
Did you (12) at all	They're walking on by
Is it lonely (13) you are	They're looking at you
