They try to (1) a (2) star	reelings go
Thinking that she had gone too far	I have learnt my lesson well
She did but kept it hidden well	The truth is out there I can tell
Until she cracked and then she fell	Don't look back and don't succumb to (13) lies
If all the (3) is true	And goodbyes
She's gonna end up (4) (5) you	Live (14) life without regret
You made it to the (6) side	Don't be (15) who they forget
But tell me who will be my guide	When you're (16) (17) out for me and
They build you up so (7) can (8) you	you'll see
down	She's not far
Trust the ocean you'll never drown	Northern star
Who is next, who's gonna (9) your crown	
You'll see	I (18) learnt my lesson well
I have learnt my lesson well	The truth is out there I can tell
The truth is out there I can tell	Don't look back and don't succumb to (19) lies
Don't look back and don't give in to their lies	And goodbyes
And goodbyes	Live (20) life without regret
Northern star	Don't be someone who they forget
Fulfil the longing in your heart	When you're (21) reach out for me and you'll see
Then we will never be apart	She's not far
And if they dare to question you	Northern star
Just (10) them that our love is true	Northern star
They buy (11) dreams so (12) can sell	
your soul	
Is it any wonder we've lost control
