# Words Unspoken by Leroy Sanchez

### Fill in the gaps

Every breath I take

#### I still remember (1)\_\_\_\_\_ reflection under the low light I still hear you calling my name, calling me (2)\_ You are the only one that's in my mind The only one that keeps me going Even though you aren't here next to me Even (3)\_\_\_\_\_ you ain't here by my side Every breath I take It makes me feel so broken There're so many words that have gone unspoken And now I'm laying down here Wondering why the hell you had to disappear All my heart wide open With words unspoken Even though I'm (4)\_\_\_\_\_ fast I don't get any closer No, even though I'm (5)\_\_\_\_\_ every night Still have no answer no, no I'm a dreamer please don't wake me up It's the only place where I still see you Day doesn't (6)\_\_\_\_\_ to be enough

To walk my path through

· ·
It makes me feel so broken
There're so many words that have gone unspoken
And now I'm laying down here
Wondering why the hell you had to disappear
All my heart wide open
With words unspoken
You (7) me out here all alone, here on my own
With only memories
The pieces of a past still incomplete
But I'll be strong, won't look back, I'll move on
There're so many (8) (9) have gone
unspoken
Every breath I take
It makes me (10) so broken
There're so many words that have gone unspoken
And now I'm laying down here
Wondering why the hell you had to disappear
All my heart wide open
With words unspoken
