

## Fill in the gaps

## Words Unspoken by Leroy Sanchez

I (1) remember your reflection under the low	Every breath I take
light	It makes me feel so broken
I still hear you calling my name, (2) me	There're so many words (8) (9) gone
right now	unspoken
You are the only one that's in my mind	And now I'm laying down here
The only one that (3) me going	Wondering why the hell you had to disappear
Even though you aren't here next to me	All my heart wide open
Even though you ain't here by my side	With words unspoken
Every breath I take	You left me out here all alone, here on my own
It makes me feel so broken	With only memories
There're so many words that have gone unspoken	The pieces of a past still incomplete
And now I'm laying down here	But I'll be strong, won't look back, I'll move on
Wondering why the hell you had to disappear	There're so many (10) that have gone unspoken
All my heart wide open	Every breath I take
With words unspoken	It makes me feel so broken
Even though I'm walking fast	There're so many words that have gone unspoken
I don't get any closer	And now I'm laying down here
No, even though I'm praying every night	Wondering why the hell you had to disappear
Still have no answer no, no	All my heart wide open
I'm a (4) please don't wake me up	With words unspoken
It's the only (5) (6) I still see you	
Day doesn't seem to be enough
