Fill in the gaps

Piano In The Dark by Brenda Russell

When I find myself watching the time	Caught up in the middle
I never think about	I cry (21) a little
All the (1) things you said	When I think of letting go
I (2) it's dead	Oh no, gave up on the riddle
Where is it leading me now	I cry just a little
I turn around in the still of the room	When he plays piano in the dark
Knowing this is (4) I'm gonna make my move	(In the dark)
Can't wait any longer	Silence is broken
And I'm (5) stronger but (oh)	And no words are spoken but oh
Just as I walk (just a little more time)	Just as I walk (just a little more time)
Through the door (can you feel my emotion)	Through the door (can you feel my emotion)
I can feel (6) emotion	I can feel (22) emotion
It's pulling me (7) (just a little more time)	(Oh baby)
Back to love you	Pull me, pull me back (just a little more time)
I know	Back to love you
Caught up in the middle	I know
I cry just a little	Caught up in the middle
