

## Fill in the gaps

(Hello)		(Hey)
Sometimes you know you push me so hard		And who am I to tell you
I don't know how I feel		That I would (17) let you down
You almost (1) me (2)	I feel at all	That no one else (18) love you
It's not as though I (3) liste	en	Half as (19) as I do now
But there's just so much I don't hear		And who am I to tell you
Maybe I'll never be what you want		I'll always catch you when you fall
(Hey)		Well I
I know that all you're asking for		I wouldn't be myself at all
ls a (4) i	n my heart	At all
But I don't find it easy to give		I didn't (20) to do what everybody does
Maybe I get a little (6)s	sometimes	And hide the truth to (21) we never knew
Why shouldn't I		A thing about love 'cause this is
I used to say I love you but		Real life, real love
Would it make a difference this time		And (22) it comes down too
And who am I to tell you		It (24) might be enough
That I would never let you down		And who am I to tell you
That no one else could love you		That I would never let you down
Half as (7) as I do now		That no one (25) could love you
And who am I to (8) you		Half as (26) as I do now
I'll always (9) you when you fall		Who am I to tell you
Well I		I'll always catch you when you fall
I wouldn't be myself at all		Well I
At all		
I always find a reason why I didn't put you first		(I wouldn't be myself at all)
It's not (10)   (11)		
know		
I really hate it (12) you (13)		
(14) head like		
This ain't gonna work		
Maybe you'll (15) (16) what you sow
