In Love With A Girl by Gavin DeGraw

So many people gonna say that they want you	Took my sweet time when I was bitter
To try to get you thinking they (1) care	Someone understands
But there's nothing (2) the (3) of	And she knows how to treat a (13) right
the one	Give me that feeling (14) night
Who has put in the time	Wants to make love when I wanna fight
And you know he's gonna be there	Now (15) understand me
Back your border when she knows someone crossed it	I'm in love (16) a girl (I'm in (17) with)
Don't let nobody put you down, who your with	I'm in love with a girl (I'm in (18) with)
Take the pain of protecting your name	Gonna tell you what you do to think you practice
From the crutch to the (4) to the high-wire	What you preach
I'm in love with a girl who (5) me better	Now I know there's (19) we cant reach
Fell for the women (6) when I met her	'Cause the heart can't erase once it finds a place
Took my sweet time when I was bitter	To be warm and welcome
Someone understands	To be held in shelter
And she knows how to treat a fella right	I'm in love with a girl who knows me better
Give me that feeling every night	Fell for the women just when I met her
Wants to make love when I wanna fight	Took my sweet time when I was bitter
Now (7) understand me	Someone understand
I'm in love (8) a girl (I'm in love with)	And she knows how to treat a fella right
I'm in love with a girl (I'm in love with)	Give me that feeling (20) night
	Wants to make (21) when I wanna fight
Out the many broken (9) and windows	Now someone (22) me
Through the (10) of the love of the lost	I'm in (23) with a girl (I'm in love with)
Is a hole that is cut (11) the souls falling	I'm in (24) with a girl (I'm in love with)
down	I'm in love with a girl (I'm in (25) with)
From the thrones without leaving any windows	Who knows me better
But you found inner piece for the moment	Wants to make (26) (27) I wanna fight
The moment was over in time	Now (28) understand me
Then its gone the hit and run the tactless	
One has a short life	
I'm in love with a girl who knows me better	
Fell for the women just (12) I met her
