

Fill in the gaps

When the world starts to get you down	I wanna go (15) and I gotta go far
And (1) (2) to go your way	Don't ask me to explain how I feel
And the noise of the maddening crowd	'Cause I don't want to say (16) I'm going
Makes you feel like you're going to go insane	Turn down the noise and (17) up the volume
There's a glow of a distant light	Don't have a choice 'cause the temperature's pounding
Calling you to come outside	If leaving this place is the (18) thing I do
To (3) the (4) on (5) face	That I want to escape with a person just like you
and (6) skin	Buzzing around (19) a moth to a flame
And it's here I begin my story	I'm so sick and tired of playing (20) game
Turn up the radio	We gotta have fun if that's all that we do
Turn up the radio	Gotta shake up the system and break all the rules
Don't ask me where I wanna go	Gotta turn up the radio until the (21) blow
We gotta (7) up the radio	Turn up the radio
It was time that I (8) my eyes	Turn up the radio
I'm leaving the past behind	Don't ask me (22) I wanna go
Nothing's ever what it seems	We (23) turn up the radio
Including this time and (9) (10) scene	Turn up the radio
I'm stuck like a moth to a flame	Turn up the radio
I'm so tired of playing this game	There's somethings you don't need to know
I don't know how I got to (11) state	Just let me turn up the radio
Let me out of my (12) 'cause I'm dying	Turn up the radio
Turn up the radio	Just let me (24) up the radio
Turn up the radio	Just let me turn up the radio
Don't ask me where I (13) go	Turn up the radio
We gotta turn up the radio	Just let me (25) up the radio
Turn up the radio	Let me turn up the radio
Turn up the radio	
Don't ask me (14) I wanna go	
Turn up the radio	
I just wanna get in my car
