

## Fill in the gaps

Lay down	Hope fades
Your sweet and weary head	Into the world of night
Night is falling	Through shadows falling
You've come to journey's end	Out of memory and time
Sleep now	Don't say
And dream of the ones who (1) before	We have (7) now to the end
They are calling	White shores are calling
From across the distant shore	You and I will meet again
Why do you weep	And you'll be here in my arms
What are these tears upon your face	Just sleeping
Soon you will see	What can you see
All of your (2) (3) pass away	On the horizon
Safe in my arms	Why do the (8) gulls call
You're only sleeping	Across the sea
What can you see	A pale moon rises
On the horizon	The ships have come to (9) you home
Why do the (4) gulls call	And all will turn
Across the sea	To silver glass
A pale (5) rises	A light on the water
The ships have (6) to carry you home	Grey ships pass
And all will turn	Into the West
To silver glass	
A light on the water	
All souls pass
