

## Fill in the gaps

| You had something to hide            |  |  |
|--------------------------------------|--|--|
| Should have hidden it, shouldn't you |  |  |
| Now you're not satisfied             |  |  |
| With what you're being put through   |  |  |
| It's just time to pay the price      |  |  |
| For not listening to advice          |  |  |
| And deciding in your youth           |  |  |
| On the policy of truth               |  |  |
| Things could be so different now     |  |  |
| It used to be so civilised           |  |  |
| You will always wonder how           |  |  |
| It (1) have been if (2)              |  |  |
| (3) lied                             |  |  |
| It's too late to change events       |  |  |
| It's time to face the consequence    |  |  |
| For delivering the proof             |  |  |
| In the policy of truth               |  |  |
| Never again is (4) you swore         |  |  |

| The time before                     |                   |
|-------------------------------------|-------------------|
| Never again is what you swore       |                   |
| The time before                     |                   |
| Now you're (5)                      | there tongue tied |
| You'd better learn your lesson well |                   |
| Hide what you have to hide          |                   |
| And tell what you have to tell      |                   |
| You'll see your problems multiplied |                   |
| If you (6)                          | _ decide          |
| To faithfully pursue                |                   |
| The policy of truth                 |                   |
| Never (7) is what you               | swore             |
| The (8) before                      |                   |
| Never (9) is what you               | swore             |
| The time before                     |                   |

- 1. could
