Heading West by Cyndi Lauper

Seems to go to my head

Fill in the gaps

drop my hat	And if I fall down on my knees
To a restless wind	I'm gonna get back up
This time I'm not gonna chase it again	I'm (5) get back up again
n a jigsaw dream	And I'm heading west
Nith soft spoken words	Without a sad goodbye
woke up crying and no one heard	And I'm heading west
You're looking through me	I'm like a letter (6) no address
Like I never was real	Just like a book I read
You say you love me	I'm heading west
But you won't let me feel	If I fall (7) on my knees
So I'm gonna take a chance this time	I'm gonna get (8) up
'll find myself some place where I can heal	I'm gonna get back up
And I'm heading west	And I'm heading west
Nithout a sad goodbye	Without a sad goodbye
And I'm heading west	And I'm heading west
'm like a letter (1) no address	I'm like a letter with no address
Just like a (2) I read	Just like a book I read
'm heading west	I'm heading west
said my name	And I'm (9) west
Under my breath	Without a sad goodbye
(Oh) he turned down a (3) road I won't	And I'm heading west
forget	(Oh) I'm (10) a letter with no address
'm (4) fly my kite	Just like a book I read
And let out all the string	I'm heading west
Hold on to hope, let go everything	And I'm heading west
can't stop laughing	Without a sad goodbye
And it's nothing you said	
The altitude of freedom
