A little less fight and a little (5) spark	All this aggravation ain't satisfactioning me
Close your mouth and open up your heart	A little more (18) and a (19) less
And baby satisfy me	bark
Satisfy me baby	A little less fight and a little more spark
Baby close your eyes and (6) to the music	Close your (20) and open up your heart
Drifting through a summer breeze	And baby satisfy me
It's a groovy night	Satisfy me baby
And I can show you how to use it	Satisfy me
Come along (7) me	Satisfy me
And put (8) mind at ease	Come on baby I'm tired of talking
A little less conversation	Grab (21) coat and let's start walking
A little more action please	Come on, come on (come on, come on)
All this aggravation ain't satisfactioning me	Come on, come on (come on, come on)

Close your mouth and (12) up your heart	waitin around

Satisfy me baby	A little more action please
Come on baby I'm tired of talking	All this aggravation ain't satisfactioning me
