## SUB inglés

So let it fall down

## Fill in the gaps

## Healing Begins by Tenth Avenue North

So you thought you had to keep this up	There's freedom waiting in the sound
All the work that you do	When you let your walls (7) to the ground
So we think that you're good	We're here now
And you can't believe it's not enough	We're here now (oh oh)
All the walls you (1) up	This is where the healing begins (oh oh)
Are just (2) on the outside	This is where the (8) starts
So let 'em (3) down	When you come to where you're broken within
There's freedom waiting in the sound	The light meets the dark
When you let your walls fall to the ground	The light meets the dark
We're here now	Sparks will fly as grace collides
This is (4) the (5) begins (o	h With the dark inside of us
oh)	So please don't fight
This is where the healing starts	This (9) light
When you come to where you're broken within	Let this blood come cover us
The light meets the dark	His blood can cover us
The light meets the dark	This is where the healing begins (oh oh)
Afraid to let your secrets out	This is where the healing starts
Everything that you hide	When you come to where you're broken within
Can come crashing through the door now	The (10) meets the dark
But too scared to face all your fear	The light meets the dark
So you (6) but you find	
That the shame won't disappear
