

Fill in the gaps

Healing Begins by Tenth Avenue North

So you thought you had to keep this up	There's (14) (15) in the
All the work that you do	sound
So we think (1) you're good	When you let your walls fall to the ground
And you can't (2) it's not enough	We're here now
All the (3) you (4) up	We're here now (oh oh)
Are just glass on the outside	This is (16) the healing (17) (oh
So let 'em (5) down	oh)
There's freedom (6) in the sound	This is (18) the healing starts
When you let your walls fall to the ground	When you come to where you're (19) within
We're (7) now	The light meets the dark
This is where the healing (8) (oh oh)	The light meets the dark
This is where the healing starts	Sparks will fly as grace collides
When you come to where you're broken within	With the dark (20) of us
The light meets the dark	So please don't fight
The light (9) the dark	This (21) light
Afraid to let your secrets out	Let this (22) come (23) us
Everything that you hide	His blood can cover us
Can (10) crashing through the door now	This is (24) the healing begins (oh oh)
But too scared to (11) all your fear	This is where the healing starts
So you (12) but you find	When you come to where you're broken within
That the shame won't disappear	The light (25) the dark
So let it (13) down	The light meets the dark
