Coming down no not today

Fill in the gaps

The Zephyr Song by Red Hot Chili Peppers

Can I get your hand to write on	Fly (5) on my Zephyr
Just a piece of lead to bite on	I feel it more then ever
What am I to fly my (1) on	And in (6) perfect weather
Do you want to (2) your light on	We'll find a place together
Take a look its on display, for you	In the water where the scent of my emotion
Coming (3) no not today	All the world will pass me by
Did you meet your fortune teller	Fly away on my Zephyr
Get it off with no propellor	We'll find a place together
Do it up it's always stellar	(Whoa whoa whoa whoa whoa) do you
What a way to finally smell her	(Yeah yeah yeah yeah yeah)
Pick it up it's not to strong, for you	(Whoa (7) whoa whoa whoa whoa) won't you
Take a piece and (4) it on	(Yeah yeah yeah yeah yeah)
Fly away on my Zephyr	Fly (8) on my Zephyr
I feel it more then ever	I feel it more then ever
And in this perfect weather	And in this perfect weather
We'll find a place together	We'll find a place together
Fly on my wing	In the water where the scent of my emotion
Riddling on liberator	All the world will pass me by
Find a way to be a skater	Fly (9) on my Zephyr
Rev it up to levitator	We're gonna live forever
Super mainly aviator	Forever
Take a look its on display, for you
