Do you ever get the feeling

## Fill in the gaps

It's so cold, it's so cold  Written up in marker on a factory sign  I struggle with the feeling  That my life isn't mine  It's so cold, it's so cold  It's so cold, it's so cold  See the arrow they shot  Trying to tear us apart  Take the fire from my belly  And the beat from my heart  Still I won't let go  Still I won't let go  Of you  'Cause you do  (Oh) you use your (2) as a weapon  And it hurts like heaven  On every street every car every surface a name  Tonight the streets are ours	That you're missing the mark?
Written up in marker on a factory sign I struggle with the feeling That my life isn't mine It's so cold, it's so cold It's so cold, it's so cold See the arrow they shot Trying to tear us apart Take the fire from my belly And the beat from my heart Still I won't let go Still I won't let go Of you 'Cause you do (Oh) you use your (2) as a weapon And it hurts like heaven On every street every car every surface a name Tonight the streets are ours	It's so cold, it's so cold

Tonight the streets are ours	And it hurts like heaven
ŭ	On every street every car every surface a name
And we're writing and saying	Tonight the streets are ours
	And we're writing and saying

Don't let em take control
No we won't let em take control
Yes I feel a (3) bit nervous
Yes I feel nervous and I (4) relax
How come they're out to get us
How come they're out
When they don't (5) the facts
So on a concrete canvas (6) cover of dark
On a concrete canvas I'll go making my mark
Armed (7) a spraycan soul
I'll be armed with a spraycan soul
And you
'Cause you use your heart as a weapon
And it hurts like heaven
(Woah oh oh, woah oh oh oh)
Yeah it's true
When you
Use (8) heart as a weapon
Then it hurts like heaven
And it hurts
