

And we're writing and saying

Fill in the gaps

Written in graffiti on a bridge in a park	Don't let em take control
Do you ever get the feeling	No we won't let em take control
That you're missing the mark?	Yes I feel a little bit nervous
t's so cold, it's so cold	Yes I feel nervous and I cannot relax
t's so cold, it's so cold	How (8) they're out to get us
Written up in marker on a (1) sign	How come they're out
(2) with the feeling	When they don't know the facts
That my life isn't mine	So on a (9) (10)
t's so cold, it's so cold	(11) cover of dark
t's so cold, it's so cold	On a concrete canvas I'll go (12) my mark
See the arrow they shot	Armed (13) a spraycan soul
Trying to tear us apart	l'II be (14) (15) a
Take the fire (3) my belly	(16) soul
And the (4) from my heart	And you
Still I won't let go	'Cause you use (17) heart as a weapon
Still I won't let go	And it (18) like heaven
Of you	(Woah oh oh, woah oh oh)
Cause you do	Yeah it's true
(Oh) you use your (5) as a weapon	When you
And it hurts like heaven	Use your heart as a weapon
On every street (6) car (7) surface	Then it (19) like heaven
a name	And it hurts
Tonight the streets are ours
