

Fill in the gaps

We all got (1)	days	Now that I'm over you and I'm sober too
Gets stuck in a phase		I can finally feel alive
I can see the sun is (2)	bright	But I won't give you my heart
Right on through the haze		'Cause it don't break twice
I complain and say		Just to let you know, let you know
Is this really my life		And if you (15) the part
Now (3) I'm over you and I'm sober too		And play it real nice
I can finally feel alive		Maybe I'll let go
But I won't give you my heart		I'll let go
'Cause it don't break twice		I'm sure you'll (16) me anything (17)
Just to let you know, let you know		the sun
And if you play the part		Like how you think
And play it (4) nice		I'm special and the only one
Maybe I'll let go		'Cause normally I'd probably just get up and run
I'll let go		But you're looking so (18) good to me under the
l'm (5) you	u'll (6) me	sun
(7)(8)	the sun	Well do ya get, do ya get what I need
Like how you think		(Na na na nah na na)
I'm special and the (9)	one	Could you show me (19) that I want to
'Cause (10)	I'd probably just get up and	see
run		(Na na na nah na na)
But you're (11)	so damn good to me	And maybe you can get underneath
(12) the sun		(Na na na nah na na)
		If you (20) the sun go down on me
Under the sun		(Na na na nah na na) go down on me
		I'm sure you'll tell me anything under the sun
Are we on the same page		Like how you think
Don't need to play		I'm (21) and the only one
All these games just to get a little		'Cause normally I'd probably (22) get up and run
Feel the sunshine on my face		But you're looking so damn good to me under the sun
And I got paid today
