## Anything Could Happen by Ellie Goulding

Stripped to the waist	Anything could happen
We fall into the river	Anything (12) happen
Cover your eyes	Anything (13) happen
So you don't know the secret	Anything could happen
I've (1) trying to hide	Anything could
We (2) our breath	Baby, I'll (14) you (15)
To see our (3) are written	you need
On the wreck of '86	I'll give you (16) you need (oh)
That was the year	I'll (17) you everything you need
I knew the panic was over	But I don't (18) I need you
Yes since we found out	I know it's gonna be
Since we found out	I know it's gonna be
That (4) (5) happen	I know it's (19) be
Anything (6) happen	I know it's (20) be
Anything could happen	I know it's (21) be
Anything could happen	I know it's (22) be
Anything could happen	I know it's gonna be
Anything could happen	I know it's gonna be (oh)
Anything could	
After the war we said we'd fight together	(But I don't (23) I (24) you)
I guess we thought that's just (7)	
(8) do	(But I don't think I need you)
Letting darkness grow	
As if we (9) its palette and we need its colour	(But I don't think I need you)
But now I've (10) it through	
And now I know the truth	(But I don't (25) I need you)
That anything could happen	
Anything (11) honon
