## SUB inglés

I swear it's true

## Fill in the gaps

## Fall For You by Secondhand Serenade

The best thing about tonight's (1) we're not fighting	Because a girl (6) you is impossible to find
Could it be that we have been this way before	It's impossible
I know you don't think that I am trying	So breathe in so deep
I know you're wearing (2) down to the core	Breathe me in
But hold your breathe	I'm yours to keep
Because tonight will be the night that I will (3) for	And hold (7) your words
you	Cuz (8) is cheap
Over again	And remember me tonight
Don't make me change my mind	When your asleep
Or I wont live to see another day	Because tonight will be the night that I will fall for you
I swear it's true	Over again
Because a girl like you is impossible to find	Don't make me change my mind
Your impossible to find	Or I wont live to see another day
This is not what I intended	I swear it's true
I (4) swore to you i'd never fall apart	Because a girl like you is impossible to find
You always thought (5) I was stronger	Tonight will be the night that I will fall for you
I may of failed	Over again
But I have loved you from the start	Don't (9) me change my mind
Ohhhh	Or I wont live to see another day
But hold your breathe	I swear it's true
Because tonight will be the night that I will fall for you	Because a girl like you is (10) to
Over again	find
Don't make me change my mind	Your impossible to find
Or I wont live to see another day
