

## Fill in the gaps

## She Wolf (Falling To Pieces) by David Guetta & Sia

| A shot in the dark                    | You (14) as a sin                         |
|---------------------------------------|---|
| A past, (1) in space                  | Alone with the wolves                     |
| And where do I start                  | And now it seems                          |
| The past, and the chase               | I (15) I was part of you                  |
| You (2) to be gone                    | Your love be in that (16) time            |
| Like a wolf, a predator               | Hungry for (17) (18) of mine              |
| I felt (3) a deer in the love lights  | But I can't compete with the she wolf     |
| Your love be in (4) (5) time          | Who has (19) me to my knees               |
| Hungry for (6) flesh of mine          | What do you see in those yellow eyes?     |
| But I can't (7) (8) the she wolf      | 'Cause I'm falling to pieces              |
| Who has (9) me to my knees            | I'm falling to pieces                     |
| What do you see in those yellow eyes? | I'm falling to pieces                     |
| 'Cause I'm falling to pieces          | I'm falling to pieces                     |
| I'm (10) to pieces                    | Falling to pieces                         |
| I'm falling to pieces                 | I'm falling to pieces (falling to pieces) |
| I'm (11) to pieces                    | I'm falling to pieces (falling to pieces) |
| Falling to pieces                     | I'm (20) to (21) (falling to              |
| Did she lie and wait?                 | pieces)                                   |
| Was I (12) to (13) you in?            | Falling to pieces                         |
| The thrill of the kill                |   |

- 1. lost
- 2. want
- 3. like
- 4. that
- 5. frozen
- 6. that
