

Or try to make it right

## Fill in the gaps

fall asleep by the telephone	And don't waste your breath because it's too late	
t's two o'clock and I'm waiting up alone	It's too late	
Tell me where have you been	You can tell me that there's nobody else	
found a note with another name	(But I feel it)	
You blow a kiss but it just don't feel the same	You can tell me that you're home by yourself	
Cause I can feel that you're gone	(But I see it)	
can't bite my tongue forever	You can look into my eyes and (6)	all you
While you try to play it cool	want	
You can hide behind your story	But I know I know	
But don't take me for a fool	Your love is (7) a lie! (lie!)	
You can tell me that there's nobody else	Lie! (lie!)	
(But I feel it)	It's (8) but a lie! (lie!)	
You can tell me (1) you're (2) by	Lie! (lie!)	
yourself	You're (9) but a lie!	
(But I see it)	You can tell me (10) there's nobody else	
You can look (3) my eyes and pretend all you want	(But I feel it)	
But I know I know	You can tell me that you're home by yourself	
Your love is just a lie! (lie! lie!)	(But I see it)	
t's nothing but a lie! (lie! lie!)	You can look into my eyes and pretend all you want	
You (4) so innocent	But I know I know	
But the guilt in your voice (5) you away	Your love is just a lie!	
Yeah, you know what I mean	I know you're nothing but a lie! (lie!)	
How does it feel when you kiss	Lie! (lie!)	
When you know that I trust you?	You're nothing but a lie! (lie!)	
And do you think about me	Lie! (lie!)	
When he touches you?	Your love is just a lie!	
Could you be more obscene? (be more obscene?)		
So don't try to say you're sorry
