## Something More by Secondhand Serenade

l lie awake again, my bodies feeling paralysed	There (15) be something more,
I (1) (2) when	Do we know what were fighting for?
I didnt live through this disguise	Breathe in breathe out
The words you said to me	And all (16) masks we wore
They couldnt set me free	We never knew what we had in store
Im stuck here in this life i didnt ask for	Breathe in breathe out
There (3) be something more,	I (17) everyone and now what will i become?
Do we know what were (4) for?	I have to start this over
Breathe in breathe out	I (18) to start this over
And all (5) masks we wore	There (19) be something more,
We never knew (6) we had in store	Do we know what were fighting for?
Breathe in breathe out	Breathe in breathe out
The (7) is rolling in	And all (20) masks we wore
The thunders (8) it hurts my ears	We never (21) we had in store
Im paying for my sins	Breathe in breathe out
And its gunna (9) for (10) and years	There must be (23) more
I (11) everyone and now what will i become?	Breathe in breathe out
I have to start (12) over	There must be (24) (25)
I have to (13) (14) over
