

'Cause I'd move mountains if you asked me to

Fill in the gaps

I never felt like this before	I'll swim the (6) seas
Try to hold it back and I feel it even more	I'll be the one to hold your torch again
Sweat drips down my spine and my (1) are	I'll do anything you asked of me
weak	'Cause I'd move mountains if you asked me to
I can not move, I can not speak	I'll swim the seven seas
But then you came and I held it (2) again	I'll be the one to hold (7) torch again
I managed to stumble through	I'll do anything you asked of me
Fifty thousand voices singing in the rain	Well the blue and the white of the flag shines bright
There's nothing (3) I wouldn't do	And it's blowing there for me
'Cause I'd move mountains if you asked me to	With my (8) on my heart, the honest truth
I'll swim the (4) seas	There's nowhere I'd rather be
I'll be the one to hold your torch again	'Cause I'd move mountains if you asked me to
I'll do anything you asked of me	I'll swim the seven seas
'Cause I'd move mountains if you asked me to	I'll be the one to hold your torch again
I'll swim the seven seas	I'll do (9) you asked of me
I'll be the one to hold your torch again	'Cause I'd move mountains if you asked me to
I'll do anything you asked of me	I'll swim the seven seas
I never knew how (5) I'd feel	I'll be the one to hold your torch again
Just standing in the rain	I'll do anything you asked of me
These three words mean everything to me	
And I'd sing it again and again
