Postcard From Paris by The Band Perry

I (1) when my heart caught the fever	Is from her old promise ring
You were (2) all alone in the summer	A call back from your fortune teller
heat	She read your cards upside down
I was with my boyfriend, my new boyfriend	The meanest thing you ever did is come around
He was as sweet as he (3) be	Just when I thought things were alright
One look at you and I was through	My eyes play (8) on my mind, yeah
My heart switched up on me	Will I ever be satisfied
Like a postcard from Paris	'Cause all I ever seem to find is a
When I've seen the real thing	A postcard from Paris
It's like finding out your diamond	When I need the real thing
Is from her old promise ring	It's like finding out your diamond
A call back from your fortune teller	Is from an old promise ring
She (4) your (5) upside down	A call back from (9) fortune teller
The meanest thing you ever did is come around	She read your cards upside down
And now, I'm ruined	The (10) thing you ever did
I'm ruined	The cruelest thing you ever did
In the evening you can catch me daydreaming	The meanest thing you ever did is come around
Did that moment send you reeling just like me?	I am ruined (yeah)
I should have gone over, right over	I'm ruined
I should have never let you leave	Now I am ruined (yeah)
But it's the never-knowing that keeps (6) going	I am ruined
And drives me crazy	(Yeah)
Like a postcard from Paris	
When I've seen the real thing	
It's (7) finding out your diamond
