Postcard From Paris by The Band Perry

I remember when my heart caught the fever	Is from her old promise ring
You were standing all alone in the summer heat	A (15) back from your fortune teller
I was with my boyfriend, my new boyfriend	She read your cards upside down
He was as sweet as he could be	The (16) thing you ever did is
One (1) at you and I was through	(17) around
My (2) switched up on me	Just when I thought (18) (19)
Like a postcard (3) Paris	alright
When I've seen the real thing	My eyes play tricks on my mind, yeah
It's like (4) out (5) diamond	Will I ever be satisfied
Is from her old promise ring	'Cause all I ever seem to find is a
A call back from your fortune teller	A postcard from Paris
She read your cards upside down	When I need the (20) thing
The meanest thing you ever did is come around	It's like finding out your diamond
And now, I'm ruined	Is from an old promise ring
I'm ruined	A (21) from your fortune teller
In the evening you can (6) me daydreaming	She (23) your cards upside down
Did that (7) (8) you	The meanest thing you ever did
(9) just like me?	The cruelest (24) you ever did
I (10) have gone over, (11) over	The meanest (25) you ever did is come around
I should (12) never let you leave	I am (26) (yeah)
But it's the never-knowing that keeps this going	I'm ruined
And drives me crazy	Now I am ruined (yeah)
Like a postcard from Paris	I am ruined
When I've (13) the real thing	(Yeah)
It's like (14) out your diamond
