

The night

Never wanna see you cry

## Fill in the gaps

I don't wanna lose you child

Deliana the den	IIII marramani maradhira
Relieves the day	I'll never say goodbye
When the night	All I need
Relieves the day	Is to be with you
You fill my days with laughter	Somewhere
You take away the strain	Somewhere we call home
There's a smile I'd forgotten	Somewhere we call home
But, you've put it there again	'Cause I don't wanna lose you
No, I don't wanna (1) you	Never (6) see you cry (never)
Never wanna see you cry	I don't wanna lose you child
I don't (2) lose you child	I'll never say goodbye
I'll never say goodbye	All I need
All I need	Is to be (7) you
Is to be with you	Somewhere
Somewhere	Somewhere we call home
Somewhere we call home	Somewhere we call home
Now you (3) (4) I hurt you	I don't wanna lose you child
And (5) you far behind	No no no
But you knew	I don't (8) lose you child
I'd come running	All I (9) is to be (10) you
I just hope	Somewhere we call home
That I'm in time	
'Cause I don't wanna lose you
