SUB ingles

Because... again and again and again

You wish I never got away

Fill in the gaps

There Will Be Tears by Miranda Cosgrove

I don't know what you expected	I'll just be dancing now
For me to sit around and beg for you to stay	I got a reason to celebrate
Can't you see what you've neglected	Tears, but they're not gonna be
I don't know what you been taking	Not gonna be mine
Do I look like I was born just yesterday?	You don't know what you got
You're the one who will be breaking after all	'Till it goes away, goes away, baby
Cause there will be tears	Anything that you lost
But they're not gonna be mine	You're the one to blame
My heart (1) be clear	One to blame, so save it
And my eyes are staying dry	Again and again again
Because again and again and again	You wish I never got away
You wish I never got away	I'll (7) be dancing now
I'll just be dancing now	I got a (8) to celebrate
I got a reason to celebrate	There will be tears, oh yeah
Tears, but they're not gonna be	But they're not gonna be mine
Not gonna be mine	'Cause there will be tears
You'll be begging for a shoulder	But they're not gonna be mine
You'll be (2) for (3) to	My heart (9) be clear
dry your eyes	And my eyes are staying dry
But you ain't never (4) over (5)	Because Again and (10) and again
we had	You wish I never got away
And you'll be crying like a baby	I'll just be dancing now
Cause you thought you'd be the one to say goodbye	I've got a reason to celebrate
And I hope it drives you crazy, oh yeah	Tears, but they're not gonna be
Cause there (6) be tears	Not gonna be mine
But they're not gonna be mine	
My heart will be clear	
And my eyes are staying dry
