## There Will Be Tears by Miranda Cosgrove

| I don't know what you expected               | I'll just be dancing now            |
|--|-------------------------------------|
| For me to sit around and beg for you to stay | I got a reason to celebrate         |
| Can't you see (1) you've neglected           | Tears, but they're not gonna be     |
| I don't know what you been taking            | Not (17) be mine                    |
| Do I look like I was born (2) yesterday?     | You don't know what you got         |
| You're the one who will be (3) after all     | 'Till it (18) away, goes away, baby |
| 'Cause there will be tears                   | Anything that you lost              |
| But they're not gonna be mine                | You're the one to blame             |
| My heart (4) be clear                        | One to blame, so save it            |
| And my eyes are staying dry                  | Again and (19) again                |
| Because again and (5) and again              | You wish I (20) got away            |
| You wish I (6) got away                      | I'll just be (21) now               |
| I'll just be (7) now                         | I got a (22) to celebrate           |
| I got a (8) to celebrate                     | There will be tears, oh yeah        |
| Tears, but they're not gonna be              | But they're not gonna be mine       |
| Not (9) be mine                              | 'Cause (23) will be tears           |
| You'll be begging for a shoulder             | But they're not gonna be mine       |
| You'll be (10) for someone to dry your eyes  | My heart will be clear              |
| But you ain't never (11) over what we had    | And my eyes are staying dry         |
| And you'll be crying like a baby             | Because (24) and again and again    |
| 'Cause you (12) you'd be the one to say      | You (25) I (26) got away            |
| goodbye                                      | I'll just be dancing now            |
| And I hope it (13) you crazy, oh yeah        | I've got a reason to celebrate      |
| 'Cause there will be tears                   | Tears, but they're not gonna be     |
| But they're not (14) be mine                 | Not (27) be mine                    |
| My (15) be clear                             |                                     |
| And my eyes are staying dry                  |                                     |
| Because again and again and again            |                                     |
| You wish I never got away                    |                                     |
