Blow Me (One Last Kiss) by P!nk

Fill in the gaps

White knuckles		I think this might be it for us
And (1) palms from (2)	_ on	Blow me one last kiss
too tight		You think I'm just too serious
Clench your jaw		I think you're full of shit
I've got another headache again tonight		My head is spinning, so
Eyes on fire, (3) on fire		Blow me one last kiss
And they burn from all the tears		Just (15) it can't get worse
I've been crying, I've been crying		I've had a shit day
I've been (4) over you		You've had a shit day
Tie a knot in the rope		We've had a shit day
Trying to hold, trying to hold		I (16) that life's too short for this
But there's nothing to grab		Want back my (17) and bliss
So I let go		I think I've had enough of this
I (5) I've (6) had enough		Blow me one last kiss
I think I maybe think too much		Blow me one last kiss
I think this might be it for us		I will do (18) I please
Blow me one (7) kiss		Anything that I want
You think I'm just too serious		I will breathe, I will breathe
I think you're full of shit		I won't (19) at all
My head is spinning, so		You will pay for your sins
Blow me one (8) kiss		You'll be sorry, my dear
Just when it can't get worse		All the lies, all the wise
I've had a (9) day		Will be (20) clear
You've had a (10) day		I think I've finally had enough
We've had a shit day		I think I maybe think too much
I think that life's too short for this		I think this (21) be it for us
Want back my ignorance and bliss		Blow me one last kiss
I think I've had enough of this		You think I'm just too serious
Blow me one last kiss		I think you're (22) of shit
I won't miss all of the fighting		My head is spinning, so
That we (11) did		Blow me one last kiss
Take it in		Just (23) it can't get worse
I mean what I say		I've had a shit day
When I say there is nothing left		You've had a shit day
No more sick whiskey dick		We've had a shit day
No more battles from me		I think (24) life's too short for this
You'll be calling a trick		Want (25) my ignorance and bliss
'Cause you no longer sleep		I (26) I've had enough of this
I'll dress nice, I'll look good		Blow me one last kiss
I'll go dancing alone		Blow me one last kiss
I will laugh, I'll get drunk		Blow me one last kiss
I'll (12) somebody home		
I think I've finally had enough		
I (13) I (14) think too much
