

Fill in the gaps

A still framed photograph	I'm lost without you, still crazy for you
Of you and me together	Just turn around
Is all I have of me and you anymore	Come back because (7) smile is overdue
We were so in (1) and we thought it	And I miss
Last forever	l (8) you
But in the storm	I'm sorry for all I did, what I said
We were torn	And things I hid
And I won't forget you	I'm finally over me
Don't regret you	Is that too late for you?
The hardest thing in (2) I do is live without you	I can't imagine where I'd be
And I wonder why we both walked away	If you had never (9) me
I'm lost without you, still crazy for you	You gave me hope to live
Just turn around	Now I need you
Come back because your smile is overdue	'Cause I (10) you
And I miss	And I won't forget you
I miss you	Don't regret you
If I'd only knew the words to say	But the hardest thing I've had to do
That would make you turn around	Is live without you
I'd say the words to you	And I wonder why we both walked away
More than a million times	I'm lost without you, still crazy for you
It's been forever, but	Just turn around
Hasn't changed what you (3) to me	Come back because your smile is overdue
Darling can't you see?	And I miss
That I won't forget you	I miss you
Don't regret you	
The hardest (4) in fact I do is live	
(5) you	
And I wonder why we both (6) away
