Fill in the gaps

As Long As You Love Me by Justin Bieber & Big Sean

	Give me a time and place
As (1) as you love me	l'll (17) it
As (2) as you (3) me	I'll fly you to it
As (4) as you love me	I'll beat you there
We're under pressure	Girl, you know I got you
Seven billion people in the world	Us, trust, a couple (18) I can't spell without
Trying to fit in	you
Keep it together	Now we on top of the world
Smile on your face	'Cause that's just how we do
Even (5) your heart is frowning	Used to tell me sky's the limit
But hey now, don't know girl	Now the sky's our point of view
We both (6) it's a cruel world	Man, we stepping out like (whoa oh God)
But I will take my chances	Cameras point and shoot
As (7) as you love me	Ask me what's my best side?
We could be starving	I (19) back and point at you, you
We (8) be homeless	You the one that I argue with
We (9) be broke	Feel like I need a new girl to be bothered with
As long as you love me	But, the grass ain't always greener
I'll be your platinum	On the other side
I'll be your silver	It's green where you water it
I'll be (10) gold	So I know, we got issues
As long as you love	Baby, true, true
Love me, love me	But I'd rather (20) on (21) with you
As long as you love	Than to go ahead and start with someone new
Love me, love me	As long as you love me
I'll be your soldier	We could be starving
Fighting every second of the day	We could be homeless
For (11) dreams, girl	We could be broke
I'll be your whole world	As (22) as you (23) me
You can be my Destiny's Child on a scene, girl	I'll be your platinum
So don't stress, don't cry	I'll be your silver
We don't need no wings to fly	I'll be your gold
Just (12) my hand	As long as you love (oh, oh, oh)
As long as you love me	Love me
We could be starving	As long as you love (oh, oh, oh)
We could be homeless	Love me
We could be broke	As long as you love
As (13) as you (14) me	I'll be (24) silver
I'll be (15) platinum	I'll be (25) gold
I'll be your silver	(Love me)
I'll be your gold	As long as you love, love me, love me
As long as you love	
Love me, love me	As long as you (26) me
As long as you love	As (27) as you love me
Love me, love me (whoa, Young G)	
I don't know if this makes (16) but	
You're my hallelujah
