See A Little Light by Belinda

Stay alone in my room
Every moment passing too soon
Watch the candles (1)_____ into the night
Fall into a dream
Wake up and everything's the same
A second older but alone (2)_____ like a child
If you just give me a sign
To live and not to die
Then I could see a little light
I could find some (3)_____ of mind
I don't know (4)_____ you are
Maybe (5)_____ or maybe far
I just need a little light
Hear a clock ticking
On a life that could have meaning
If I could find the love light in your eyes
See a million people
Everyone's so lonely
But we don't (6)_____ to be alone tonight

Then I could see a little light
I could find some piece of mind
I don't know (7)_____ you are
Maybe near or maybe far
I just need a little light
...
If I could see a little light
If I could find some piece of mind
If you just give me a sign
I could see a little light
I don't (8)_____ where you are
Maybe near or maybe far
I could see a little light
If I could see a (9)_____ light

Stay alone in my room
Every moment passing too soon
