

Fill in the gaps

Stay alone in my room
Every moment passing too soon
Watch the candles burn into the night
Fall (1) a dream
Wake up and everything's the same
A second older but alone (2) (3) a child
If you just give me a sign
To live and not to die
Then I could see a little light
I could find some piece of mind
I don't (4) where you are
Maybe near or maybe far
I just need a little light
Hear a clock ticking
On a life that could have meaning
If I could find the love light in your eyes
See a million people
Everyone's so lonely
But we don't have to be alone tonight

Then I could see a little light
I could find some piece of mind
I don't know (5) you are
Maybe (6) or maybe far
I just need a little light
If I could see a little light
If I could find (7) (8) of mind
If you just give me a sign
I could see a little light
I don't know where you are
Maybe near or (9) far
I could see a little light
If I could see a (10) light
I could see a little light
Stay alone in my room
Every moment passing too soon
