See A Little Light by Belinda

Stay alone in my room
Every moment passing too soon
Watch the candles burn into the night
Fall into a dream
Wake up and everything's the same
A second older but alone just like a child
If you just give me a sign
To live and not to die
Then I could see a little light
I could (1)_____ some piece of mind
I don't know where you are
Maybe near or (2)_____ far
I just need a little light
Hear a clock ticking
On a life that could have meaning
If I could find the (3)_____ light in (4)_____ eyes
See a million people
Everyone's so lonely
But we don't have to be (5)_____ tonight

Then I could see a little light
I could find some piece of mind
I don't know where you are
Maybe near or maybe far
I (6)_____ (7)_____ a little light
...
If I could see a little light
If I could find (8)_____ piece of mind
If you just give me a sign
I could see a little light
I don't know where you are
Maybe near or (9)_____ far
I could see a little light
If I could see a little light
I could see a little light
Stay alone in my room
Every moment passing too soon
Watch the candles (10)_____ into the night
