

## Fill in the gaps

Maybe I'll treat you better	You'd have it all
Maybe I'll be (1) friend	If we were, if we were
Maybe I'll wear (2) sweater	You'd never be
Maybe I'll (3) some time	So (14) depressed
To go shopping	If we were, if we were
And buy you (4) clothes	I (15) you up
Cause the ones you've got (5) got to go	You'd (16) rest
'll cook your dinner	If we were, if we were
Put some meat on those bones	We'd be the most beautiful mess
That's the (6) I could do	If we were forever
'd be so good for you	You don't (17) (18) you're
build you up	missing
'Il be the best	All the huggin', all the kissin'
You'd have it all	Shut up and (19) to me
f we were, if we were	But we're not
You'd never be	I forgot
So damn depressed	I build you up
f we were, if we were	I'll be the best
(7) you up	You'd have it all
You'd never rest	If we were, if we were
f we were, if we were	You'd never be
We'd be the most beautiful mess	So damn depressed
f we were forever	If we were, if we were
Maybe I'll do your laundry	I (20) you up
Maybe I'll (8) (9) back	You'd never rest
Tell you I (10) you	If we were, if we were
Make you (11) like a man	We'd be the most beautiful mess
And all of that	If we were forever
Now wouldn't that be nice?	You don't realize what you're missing
And you've got a life, wouldn't think twice	All the huggin', all the kissin'
'll (12) you crazy for the rest of your life	Shut up and (21) to me
That's the least I could do	But we're not
'd be so (13) to you	I forgot
build you up	
'll he the hest
