I can (1) the magic floating in the air	Closer than I've ever felt before
Being with you gets me that way	And I know, and you know
I watch the sunlight dance across your face	There's no need for words right now
And I've	'Cause I can feel you breathe
Never been (2) swept away	It's washing over me
All my thoughts just seem to settle on the breeze	And suddenly I'm melting into you
When I'm lying wrapped up in your arms	There's nothing left to prove
The whole world just fades away	Baby all we need is just to be
The only thing I (3) is the beating of your heart	Caught up in the touch
'Cause I can feel you breathe	Slow and steady rush
It's washing over me	Baby isn't that the way that love's supposed to be?
And suddenly I'm melting into you	I can feel you breathe
There's nothing left to prove	Just breathe
Baby all we (4) is (5) to be	Caught up in the touch
Caught up in the touch	Slow and steady rush
Slow and steady rush	Baby isn't that the way that love's supposed to be?
Baby isn't that the way (6) love's supposed to be?	I can feel you breathe, just breathe
I can feel you breathe	I can (8) the magic (9) in the
Just breathe	air
In a way I (7) my heart is waking up	Being with you gets me that way
