## The Crow & The Butterfly by Shinedown

I painted your room at midnight	You know I can barely breathe
So I'd know yesterday was over	Just like a crow chasing the butterfly
I put all your books on the top shelf	Dandelions lost in the (6) sky
Even the one (1) the (2) leaf clover	When you and I were gettin' high as outer space
Man I'm getting older	I never thought you would (7) away
I took all (3) pictures off the wall	I guess I was just a little too late
And wrapped them in a newspaper blanket	Just like a crow chasing the butterfly
I haven't slept in what (4) like a century	Dandelions lost in the summer sky
And now I can barely breathe	When you and I were gettin' high as outer space
Just like a (5) chasing the butterfly	I never thought you (8) slip away
Dandelions lost in the summer sky	Like a crow (9) the butterfly
When you and I were gettin' high as outer space	Dandelions lost in the summer sky
I never thought you would slip away	When you and I were gettin' high as outer space
I guess I was just a little too late	I never thought you would slip away
Your words still serenade me	I guess I was (10) a little too late
Your allibies won't let me sleep	Just a little too late
I've never heard such a haunting melody	
(Oh) it's killing me
