The Crow & The Butterfly by Shinedown

I painted your room at midnight	You know I can (10) breathe
So I'd (1) (2) was over	Just like a (11) chasing the butterfly
I put all (3) books on the top shelf	Dandelions lost in the summer sky
Even the one with the four leaf clover	When you and I were gettin' high as outer space
Man I'm getting older	I (12) thought you (13)
I took all your pictures off the wall	(14) away
And wrapped them in a newspaper blanket	I (15) I was (16) a little too late
I haven't slept in what seems like a century	Just like a crow chasing the butterfly
And now I can barely breathe	Dandelions lost in the (17) sky
Just like a crow chasing the butterfly	When you and I (18) gettin' (19) as
Dandelions (4) in the (5) sky	outer space
When you and I were gettin' high as outer space	I never (20) you would slip away
I never thought you would (6) away	Like a crow chasing the butterfly
I guess I was just a little too late	Dandelions lost in the summer sky
Your words still (7) me	When you and I (21) gettin' high as outer space
Your (8) won't let me sleep	I never thought you (22) (23) away
I've never heard such a haunting melody	I (24) I was just a little too late
(Oh) it's (9) me	Just a (25) too late
