Fill in the gaps

New York, New York by Ryan Adams

1, 2, 3	The world won't wait and I watched you shake
Well, I (1) through the (2) on	But honey, I don't blame you
the 4th of July	Hell, I still love you, New York
I had a firecracker (3) to blow	Hell, I still love you, New York
Breaking like a (4) who was making his way	New York
To the (5) of Mexico	I remember Christmas in the blistering cold
Lived in an apartment out on Avenue A	In a (15) on the (16)
I had a tar-hut on the corner of 10th	(17) side
Had myself a lover who was finer than gold	Babe, I (18) (19) singing, I was
But I've been (6) up and (7)	holding your arm
up since	You were holding my trust like a child
And love don't (8) any games with me	Found a lot of (20) out on
Anymore like she did before	(21) B
The (9) won't wait, so I better shake	But I tried to keep the overhead low
That (10) right out there through the door	Farewell to the city and the love of my life
Hell, I (11) you, New York	At (22) we left before we had to go
Found myself a picture that would fit in the folds	And love won't play any games with you
Of my wallet and it stayed pretty good	Anymore if you want 'em to
Still amazed I didn't lose it on the roof of the place	So we better shake this old thing out the door
When I was drunk and I was thinking of you	I'll always be thinkin' of you
Every day the (13) they were	I'll always love you though New York
(14) their tune	I'll always (23) you (24) New York
Out on the streets and you could hear from inside	I'll always love you though New York
Used to take the subway up to Houston and 3rd	l'll (25) (26) you
I would wait for you and I'd try to hide	(27) New York
And love won't play any games with you	New York, New York
Anymore if you don't want 'em to	

1. shuffled
