Fill in the gaps

Amazing Grace (9/11 Tribute) by The Jokerr

Amazing grace	Through many dangers
How sweet the sound	Toils and snares
That (1) a wretch	I (2) already
ike me	Come
once was lost	But it was grace that brought
But now I'm found	Me safe thus far
Vas blind but now	And (3) will lead
see	Me home
Twas grace that taught	Then (4) we've (5) there
My heart to fear	Ten thousand years
And grace my fears	Bright, shining as the sun
Relieved	We've no (6) (7) to (8) God's
How precious did	praise
That grace appear	Than when
The hour I first	We first begun
