Empire State Of Mind (Part II) Broken Down (Live) by Alicia Keys

(Ooooonn) New York	r got a (6) of dreams
(Oooooohh) New York	Baby, I'm from New York
Grew up in a town	Concrete jungle where dreams are made
That is famous as the place of movie scenes	There's nothing you can't do
Noise was always loud	Now you're in New York
There are sirens all around	These street will make you feel brand new
And the streets are mean	Big lights will inspire you
If I can (1) it here	Hear it for New York, New York, New York!
I can make it anywhere	One hand in the air for the big city
That's what (2) say	Street lights, big dreams, all lookin' pretty
Seeing my face in lights	No (7) in the world that can compare
Or my name on marquees found down on Broadway	Put your lighters in the air
Even if it ain't all it seems	Everybody say yeah, yeah
I got a pocketful of dreams	Yeah (yeah, yeah)
Baby, I'm from New York	In New York
Concrete (3) where dreams are made	Concrete jungle where dreams are made
There's (4) you can't do	There's nothing you can't do
Now you're in New York	Now you're in New York
These streets will make you feel brand new	These streets will make you feel brand new
Big lights will inspire you	Big lights will inspire you
Hear it for New York, New York, New York!	Hear it for New York
On the Avenue	Concrete jungle where dreams are made
There ain't never a curfew, ladies work so hard	There's nothing you can't do
Such a meltin' pot	Now you're in New York
On the (5) selling rock, preachers pray to God	These (8) (9) make you feel
Hail a gypsy cab	brand new
Takes me down from Harlem to the Brooklyn Bridge	Big lights will inspire you
